 - Are there any other policies or guidelines provided by the Investment Manager/SPVs to give you better clarity?

performance of any activity or function by the TPI in relation to the business of the Investment Manager/SPVs.

9. FACILITATION PAYMENTS

- 9.1. We acknowledge that facilitation payments, which are unofficial payments made to secure or expedite the performance/non-performance of a routine or necessary action, are not permitted under the laws of many jurisdictions and that authorities in many parts of the world are seeking to eliminate such practices.

10. INTERACTION WITH PUBLIC/GOVERNMENT OFFICIALS

Interaction with Public/Government Officials requires enhanced scrutiny and alertness

- 10.1. We operate in a highly regulated business environment where We frequently deal with Public/Government Officials, Regulatory Authorities and PEPs. These interactions are highly sensitive, and a high degree of risk exists when We interact with Public/Government Officials, Regulatory Authorities and PEPs who **may** be in an actual/perceived position of influence which could impact our business. Consequently, interactions with them could expose us to various risks including in certain cases risk of bribery and corruption. If not done cautiously, these can sometimes be construed as illicit, illegal, wrongful, or unethical, which may cause business disruption, heavy penalties (including imprisonment), and reputational damage to Us. It is therefore expected of every Employee, Director, executive, officer of the Investment Manager/SPVs to be **extra cautious** while dealing with Public/Government Officials, Regulatory Authorities and PEPs.

Interaction with Public/Government Officials, Regulatory Authorities and PEPs

- 10.2. Interaction between Investment Manager/SPVs, their Employees, Directors, executives, officers **and** Public/Government Officials, Regulatory Authorities or PEPs can be broadly classified into **two** categories:
 - Interactions as part of routine business operations
 - Interactions **other than** those as part of routine business operations

Below are some of the examples of such interactions:

Examples of interactions as a part of routine business operations:

- ★ Interaction with Public/Government Officials in relation to inspection of assets.
- ★ Interaction with government/quasi government officials in relation to obtaining licenses, certifications, permits etc.

Examples of interactions **other than** as a part of routine business operations:

- ★ Request from a Regulatory Authority for providing contributions for conducting certain awareness programmes, campaigns, events etc.
- ★ Request by a police department to donate items for public or official use, such as laptops, thermometers, breath analyser etc.
- ★ Inviting a Public/Government Official as a chief guest for a CSR activity.

- 10.3. Every Employee, Director, executive, officer of the Investment Manager/SPVs must report key points/actions relating to any form of expenditure/favours arising out of any **interactions** where they had contact with or correspondence with Public/Government Officials, Regulatory Authorities or PEPs. Details arising out of such interactions need to be properly recorded in a ‘*Public/Government Officials, Regulatory Authorities or PEPs interaction Register*’ with such details as provided in Appendix 1.

Expenses – incurred by Employees, Directors, executives, officers of the Investment Manager/SPVs

- 10.4. Given the sensitivity of interactions with Public/Government Officials, Regulatory Authorities and PEPs, expenses incurred by Employees, Directors, executives, officers of the Investment Manager/SPVs during the course of such interactions are also perceived to be of high risk. It is therefore important to ensure that any **expense** incurred as a result of such interaction is,
- Incurred for a legitimate business purpose
 - Evidenced by adequate proof of service/proof of delivery (e.g., written approvals, invoices, delivery challan, work completion certificate, etc)
 - Incurred as per applicable policies, wherever required (e.g., gifting expense should be within the limits provided in GHM&E Policy)
 - Adequately recorded, documented, and preserved. The records should be capable of being easily reproduced whenever required.

TIP

Under certain circumstances We may incur bona fide expenses involving a Public/Government Official or PEP relating to gifts, meals, hospitality, donations, etc. Other applicable policies of the Investment Manager/SPVs must be considered in such cases. **Example:**

- ★ Meals and refreshment ordered for an official (refer GHM&E Policy)
- ★ Honoured the request of a police officer for providing laptops, breath analysers etc. (refer PDC Policy)

Expenses – incurred by Third Parties/Intermediaries (‘TPIs’) of the Investment Manager/ SPVs

- 10.5. The ABAC Policy and other applicable policies of the Investment Manager/SPVs strictly prohibit any TPI to make any payments directly or on behalf of the Investment Manager/SPVs, to any **Public/Government Official or PEP** which can be construed as an actual/perceived form of bribe. Any transaction which is not for a legitimate business purpose may create a perception of bribe/unethical conduct and therefore, is **not allowed**. However, legitimate transaction entered by a TPI on behalf of the Investment Manager/SPVs is allowed. For example,
- Payment made directly to a government body/Regulatory Authority (**not an individual**) which is backed by proper receipt of payment. e.g., statutory fees paid for obtaining permits.
- 10.6. Every TPI who incurs any expenditure on any Public/Government Official or any Regulatory Authority on behalf of the Investment Manager/SPVs must ensure that the expenses are:
- Incurred for a legitimate business purpose
 - Evidenced by adequate proof of service/proof of delivery (e.g., written approvals, invoices, delivery challan, work completion certificate, etc.)
 - Adequately recorded, documented, and preserved. The records should be capable of being easily reproduced whenever required.

11. APPOINTMENT AND DEALING WITH THIRD PARTIES/INTERMEDIARIES

TPIs are not permitted to pay bribes or make any facilitation payments on Our behalf.

- 11.1. We engage with TPIs, only for ordinary and legitimate business purposes and only with commercially reasonable terms. TPIs, must be onboarded only after performing proportionate and risk-based due diligence checks.
- 11.2. TPIs might pose a risk of bribery and corruption. Therefore, TPIs must be onboarded only in accordance with the ‘Third Party/Intermediary Appointment Policy’ based on an understanding of the potential relationship (e.g., the sector in which the TPI operates, the type of services it will be providing, level of interaction it will have with Public/Government Officials or Regulatory Authorities etc.)
- 11.3. Further, We should consider and respond appropriately to the findings of the risk based due diligence performed.
- 11.4. Some of the points to be kept in mind while onboarding/dealing with TPIs are:

Risk based due diligence

- Risk-based due diligence must be performed prior to **onboarding** any TPI to identify any actual/perceived risk associated with them.

ABAC Provisions

- **Standard** anti-bribery anti-corruption related contractual provisions must be included in the purchase orders, work orders awarded, or contracts entered with TPIs.
- In case standard anti-bribery anti-corruption related contractual provisions are not included, Investment Manager/SPVs may consider obtaining a signed declaration from such TPIs. The declaration may state the reason for not including the ABAC provisions in the purchase orders, work orders, or contracts **and**

that the TPI has adequate anti-bribery and anti-corruption policies and procedures of their own in place.

Awareness

- All TPIs must be made aware of the Third Party/Intermediary Code of Conduct (‘TCOC’), ABAC Policy and other applicable policies of the Investment Manager/SPVs. All policies should be appended to the contracts/purchase orders/work orders to the extent possible or at least shared over an email with the TPI.
- We expect TPIs with which We do business to either formally acknowledge and abide by relevant aspects of the ABAC Policy, or to have adequate anti-bribery and anti-corruption policies and procedures of their own in place.

Do not solicit or offer donations/contributions in a way that implies they are a requirement for future business or that the offer of a donation/contribution is intended to gain a competitive advantage.

- 13.2. Donations/contributions if not dealt with caution can sometimes be construed as wrongful/illicit payment or a form of bribery or corruption. Therefore, all donations/contributions made on behalf of the Investment Manager/SPVs, and their Employees, Directors, executives, officers:

How should you deal? - You **may** refer him and forward his CV to the HR team, for them to follow the applicable process. You should ensure that you are not involved in his interviewing process, appointment, reporting or appraisals while he is in service. Further, your job role should not have any influence on his job role.

How should You deal? - In such a case you should ensure that you make an appropriate disclosure to the HR team and obtain necessary approvals prior to continuing the relationship with the TPI.

In all such circumstances We encourage You to discuss and disclose the situation to the CCO before proceeding further.

- 15.5.
